Spencer Chapple  
[spencerchapple@suuemail.net](mailto:spencerchapple@suuemail.net)

Congratulations. Your CONNECT Grant application has been approved and you have been awarded \$500 toward your project "Robotic Arm, Incorporating Custom Actuators and Machine Learning." Be aware, as stated in the Grant Guidelines,

"Grant funding is dispersed as a reimbursement for grant project expenditures for which there are appropriate receipts or invoices. Grant reimbursements can be transferred to a department or area that makes purchases in support of a student project or they can be made directly to the student."

"A summary outlining the completed project (1 page minimum) must be submitted to the CONNECT Grant Program within 30 days of completion. You should provide photographs that illustrate your project's success where appropriate."

To accept grant support (\$500) for the project described in your proposal please complete and sign the attached contract and return it to the CONNECT Grants Office: [connectgrant@suu.edu](mailto:connectgrant@suu.edu).

Upon completion of your project, please submit your receipts to the CONNECT Grants Office with your grant report. A reimbursement will then be processed up to the amount of your grant award.

Sincerely,

Matt Nickerson  
Executive Director of Library Services  
CONNECT Grant Director
